Member of Parliament – Brampton North
Députée - Brampton Nord

January 18th 2019

Dear Mayor Brown and Brampton City Council,

Thank you for your letter dated January 17th, 2019. As you know our government mandate was for the legalization of marijuana, and this was a very transparent issue, in which Canadians were consulted and ultimately overwhelmingly supported. We delivered on our promise to legalize, strictly regulate, and restrict access to cannabis in order to better keep it out of the hands of our youth and keep profits away from criminals.

However, individual municipality implementation remains an issue between municipal and provincial governments, and our government has complete respect for this process and the autonomy of Brampton City Council.

As implementation remains a municipal agenda, I have complete faith in your ability to work with your provincial counterparts in reaching a decision that will ultimately reflect the wishes of Bramptonians.

Unfortunately I will not be in attendance at the Special Council meeting on January 21st due to a previously scheduled mandatory caucus meeting in Ottawa, but I look forward to the decision your council reaches and trust that it will be with the best interest of Bramptonians in mind.

Sincerely,

A handwritten signature in black ink that reads "Ruby Sahota".
